

## Plug/Connector

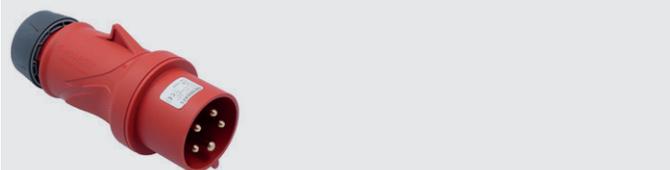

### Product features

- screw terminals
- highly heat resistant contact carrier
- cable gland and sealing
- strain relief and protection against kinking
- impact resistant

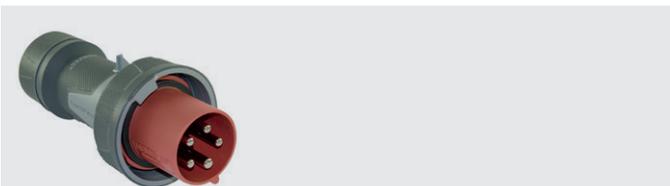

### Plug CEE

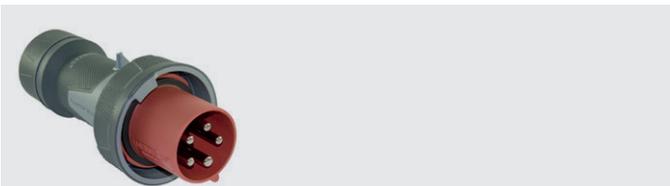

Item no.	209995 ✓
Strength of current	16A
Protection category	IP44/IP54
No. of poles	3P+N+E

Item no.	209998 ✓
Strength of current	32A
Protection category	IP44/IP54
No. of poles	3P+N+E

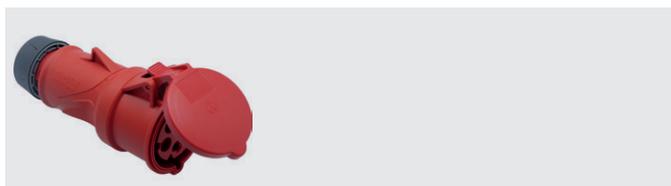

Item no.	012075 ✓
Strength of current	63A
Protection category	IP67
No. of poles	3P+N+E

Item no.	126634 ✓
Strength of current	125A
Protection category	IP67
No. of poles	3P+N+E

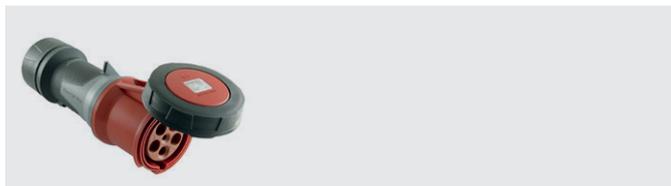

### Connector CEE

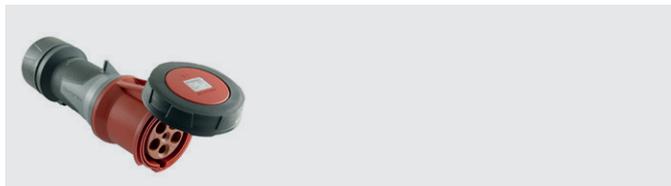

Item no.	209996 ✓
Strength of current	16A
Protection category	IP44/IP54
No. of poles	3P+N+E

Item no.	209999 ✓
Strength of current	32A
Protection category	IP44/IP54
No. of poles	3P+N+E

Item no.	012076 ✓
Strength of current	63A
Protection category	IP67
No. of poles	3P+N+E

Item no.	126635 ✓
Strength of current	125A
Protection category	IP67
No. of poles	3P+N+E
